

## RED CLIFF TRIBE RECEIVES AMERICAN CANCER SOCIETY GRANT

The Red Cliff Band of Lake Superior Chippewa Indians has been awarded the American Indian and Alaska Native Breast Health Equity Initiative Grant. The overall goal is to reduce breast cancer-related disparities in American Indian/Alaska Native communities.

### Project Goals:

- Improve data linkages by partnering with The Wisconsin Cancer Reporting System (WCRS) to reduce mis-classification related to Tribal cancer cases.
- Improve breast cancer screening rates by 5%
- Develop a Tribal Navigator program to assist patients diagnosed with cancer
